Production and supply of coal

262. SHRI RAMDAS AGARWAL: Will the Minister of COAL be pleased to state:

(a) the present stage of production and supply of coal by Coal India Limited during the last three years;

(b) whether CIL has developed any new mining areas to increase coal production during the above-mentioned period; and

(c) if so, the plans of CIL to increase production in order to meet the requirements of industries for power generation?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYAN RAO): (a) The present stage of production and supply of coal by Coal India Limited during the last three years are given below:—

(Figures in million tonnes)

Year	Production	Despatch
2003-04	306.373	303.235
2004-05	323.575	320.506
2005-06 (Provisional)	343.372	332.250

(b) The details of new projects/mines costing Rs. 20 crores and above sanctioned and being developed for coal production is given in the Statement enclosed, (*See* below).

(c) Coal India Limited has taken the following steps to increase indigenous production:-

(i) 73 coal projects, including expansion/extension projects, at an estimated investment of Rs. 9920.84 crores, with an ultimate capacity of 149.185 million tonnes per year, have been sanctioned during Tenth Plan period and are being developed for increase in coal production.
(ii) Improvement in equipment utilization.
(iii) Timely implementation of projects.
(iv) Mechanization/modernization of existing mines.
(v) All new mines being planned with mechanization.
(vi) Increasing productivity in both underground and open cast mines.
(vii) Emergency coal production has been planned for increasing production in existing mines/projects.

Statement

The details of new projects/Mines to increase Coal Production during the last three years

Monopoly in coal supply

263. SHRI VIJAY J. DARDA:
SHRIMATI SYEDA ANWARA TAIMUR:

Will the Minister of COAL be pleased to state:

(a) whether Government have initiated the process of loosening Coal India Limited's virtual monopoly in supplying coal to domestic consumers and also allowed a slew of State Government owned companies to not only undertake coal mining in some blocks but also allow them to sell to non-captive consumers;

(b) if so, the details thereof; and

(c) by when the proposal is likely to be implemented?
